

CONNECTED CURRICULUM - DEEP DIVES

*Need help with planning
for Connected Curriculum?*

CADI is offering Connected Curriculum 'deep dives' to support you and your team engage creatively with the principles of the Connected Curriculum.

We can work with you on

- 
- Developing 120-credit modules
 - Block teaching
 - Repackaging into 30-credit modules
 - Or creating a bespoke session shaped around your own priorities and requirements

How it works

- 
- 1 • Email **cadi@port.ac.uk** to request a Connected Curriculum deep dive workshop.
 - 2 • A member of the CADI team will arrange an initial meeting to discuss your specific requirements and what you would like to achieve in the workshop.
 - 3 • We will then agree a date and time that works for you whether it be a full-day, half-day or shorter session.

We will work with you to create a session that fits your team and helps you make real progress with Connected Curriculum. Our focus is on what matters to your team, with a format that works for you.

'DIVE DEEPER INTO CONNECTED CURRICULUM AND SURFACE WITH A CLEAR PLAN'
